

Application regulations

1. Application deadline is 12 October 2020. If the determined area of the exhibition is sold out before the deadline, the organizer cannot accept any further application.
2. Enter the precise area that you need through the application process because it cannot be subjected to any change a month prior to the exhibition.
3. Withdrawal: You can withdraw after only 2 working days once the application is submitted, otherwise the fee is NOT refundable.
4. The exhibitor is NOT allowed to rent or leave the booth to a third party (another exhibitor or company).
5. The request for expansion of the area of the booth can only be done by the organizer's approval and agreement.
6. To include exhibitors' information in the Exhibition Official Book, fill out the required form on the Exhibition website no later than 17 October 2020 otherwise the organizer has no responsibility to print your information in the book. (Printing the exhibitor's information in the Exhibition Official Book is free of charge and is one of the organizer's duties.)
7. No goods or equipment can be taken out of the exhibition until the exhibition ends. Exhibitors can receive the permit from the International Section of the exhibition to take out their goods and equipment after the end of the exhibition.
8. Exhibitors have to fill out the required forms until 17 October 2020 to receive the Exhibitor's ID Cards
9. Both male and female exhibitors have to follow Islamic rules.
10. Protection of goods and equipment inside the booth during the working hours of the exhibition is on the exhibitor and the organizer takes the responsibility for the non-working hours of the exhibition.

11. Since the protection of the outdoor booths are on the exhibitors, day and night, it is required for the exhibitors to coordinate with the night guards of the exhibition.
12. Exhibitors are not allowed to close their booths during the working hours of the exhibition.
13. During the time of the exhibition all the goods and equipment in the booths are covered by insurance paid by the organizer.
14. Sale of products is NOT allowed in the exhibition; however, sealing contracts is permitted.
15. The right to film and photograph of the exhibition is preserved for the organizer; therefore, exhibitors are NOT allowed to film or photograph except their own booth.
16. If you have any heavy or extremely large goods, equipment or machinery please coordinate with the organizer at least a month prior to the exhibition with declaring the exact size and weight of the item, otherwise, the organizer is not responsible for any inconvenience.
17. Keeping flammable items in the booth is NOT allowed, but if such materials are necessary for your booth, coordinate with the official firefighting expert based in the exhibition to obtain the permit.
18. The use of electric heating or cooking appliances are NOT allowed unless the permit is obtained from the organizer.
19. The exhibitors are expected to show their advertising materials in their own booth and to use other spaces of the exhibition to advertise their products and services necessary permits should be obtained from the organizer.
20. All goods and products exhibited in the booth should have a Standard Certification, otherwise the organizer takes no responsibility if the Organization of Standard and Industrial Research of Iran or their representatives prevent the presentation of a non-standard product or close the booth.
